Crafts

1. Decorate your Veggie

Let's have some fun this year and decorate a vegetable! Some ideas: zucchini all decked out in doll clothes. You decide how you want to dress your veggie. Use doll clothes, paint, yarn etc. you can use something besides a zucchini if you want such as a tomato, cucumber, string bean. We do not care; we just want to see some cute entries. So Mom, Dad, and kids, get your thinking caps on and "Decorate your Veggie"!
