Dairy Goat Show Rules

- A. Only female goats may be shown
- B. No animal with horns may be shown
- C. **Scrapies** All dairy goats must be tagged with the official USDA identification scrapies tag. When you are purchasing goats make sure the BREEDER has tagged them with an official tag, or if you are showing animals owned by you or your family, make sure you have tagged them with your herd ID tag. These tags are provided by the USDA to the breeders. Each breeder is assigned a herd ID number which appears on the tag. Dairy goats will be checked by the superintendents before unloading at the fairgrounds. If they don't have a official USDA scrapies tag, they WILL NOT be shown. These rules apply for County, State and Ak-sar-ben.
