Crafts

1. Decorate your veggie
Let's have some fun this year & decorate a vegetable! Some ideas: zucchini all decked out in doll clothes. You decide how you want to dress your veggie. Use doll clothes, paint, yarn etc. You can use something besides zucchini if you want such as a tomato, cucumber, string bean. We don't care; we just want to see some cute entries. So Mom, Dad, and kids, get your thinking caps on and "Decorate Your Veggie"!
